Santa’s Second Sack™

A New Christmas Tradition

Dear Reader,

On Christmas Eve, leave one warm thing beside the milk and cookies. Try a scarf, a hat, a pair of mittens or a small folded blanket.

Something warm. Something needed.
Something chosen by you.

I’ll carry it in my Second Sack to someone who could use a warmer night.

One family. One gift. One warmer night at a time.

Sack tags

Cut around a tag. Punch the small circle and tie it to your warm thing.
